WELDING SCREENS

Arcforce Welding Screens

Ideal for all workshop welding.

Transparent vinyl screen offers protection from sparks, UV rays and radiation. Designed with a durable black powder coated steel tube frame with joining brackets to allow additional frames to be connected. Snap fit for quick and easy assembly. 4 caster wheels (2 with brakes) attached to stable platform legs for easy mobility.

All four sides of the screen have eyelets for easy screen replacement.

Screen size: 1.8 x 1.8m

Orange Screen - **AFWSO6X6**
Dark Green Screen - **AFWSG6X6**
